

# Guardian Pharmacy is Dedicated to Your Safety

To protect you during the COVID-19 pandemic, all of our employees follow strict safety precautions based on CDC guidelines your community can trust.

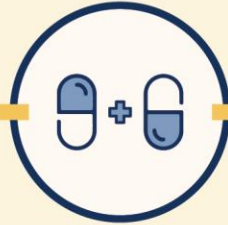

## Vigilance

Employees must follow CDC guidelines for returning to work after exhibiting symptoms or coming in contact with suspected or positive cases.

## Hygiene

All employees must stay home if ill. All employees are trained on proper hand washing, cough etiquette and wearing of masks.

## Medications

All staff handling medications must wear gloves and change them frequently.

## Equipment

Surfaces are cleaned frequently using bleach wipes and isopropyl alcohol.

## Contact

Only required pharmacy staff will be entering communities.

## Deliveries

Delivery protocols have been adjusted to minimize direct contact while using disposable delivery methods. Delivery personnel are equipped with hand sanitizer to use before and after each community visit.

## Travel

All international travel has been suspended.

We're committed to the safety, health, and well-being of our employees and the communities we serve. Visit [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus) to stay up to date on the latest safety precautions and CDC Guidelines.

If you need further assistance, we're happy to help - contact us directly at:
