## Flu Vaccine Order

(If you are hosting a flu clinic, vaccine will be supplied by that vendor – do not preorder)

### 2019 Flu Vaccine will be arriving mid-September 2019

#### If Saliba's is supplying your vaccine, reserve now!

*Pre-book orders must be received by April 30, 2019. Flu vaccine is not returnable. Please be aware that the supply of Flu vaccine is always variable and uncertain. Although not guaranteed, pre-booking is the best way to ensure that you will receive the doses you need. If the supply is compromised this season, it is very possible that we may not be able to provide flu vaccine for customers that did not pre-book.*

*\*We are NOT interested in ordering the flu vaccine.*
