

Industry Partner Spotlight

The Arizona ALFA Team would like to take this time to spotlight our industry partner members. Every Tuesday we will highlight 3 IP members that have been vital to the success of Arizona ALFA. We understand that during these times a lot of businesses are struggling and we would like to help in any way possible. We appreciate all of the wonderful companies that have been apart of our association, some for decades and others just a few short months. Old and new you all have a significant impact on our Assisted Living Communities. Thank you for all your hard work!

Saliba's
Extended Care Pharmacy
A Guardian Pharmacy®

Saliba's Extended Care Pharmacy

Saliba's has been Arizona ALFA's longest standing industry partner member, joining in 1997. They have been apart of Arizona ALFA from the very beginning and have participated in countless numbers of ways. From sponsorships, vendor booths, and attendees Saliba's is always in attendance at any Arizona ALFA event. We are forever grateful for the many years of business and friendship. Thank you Saliba's we are so glad to have you on our team!

Saliba's Extended Care Pharmacy expertly serves a variety of establishments in the long-term care industry, primarily assisted living and skilled-nursing facilities. At Saliba's, our business philosophy is to partner with you to provide enhanced pharmacy care. We listen carefully to our customers and develop innovative and collaborative solutions to meet your needs. The long-term care business has a lot of complex, moving

parts. We know how to make them work together to enhance all facets of patient care. We offer compliance packaging systems that make passing medications easier and more time-efficient. Our Web Connect technology allows our customers to effortlessly access our pharmacy computer system.

Hospice of the West

Hospice of the West is going on their 10 year anniversary of being members of Arizona ALFA. HOW is one of Arizona ALFA's biggest supporters. From continually sponsoring the Shining Star Awards at the Annual Conference and adding our App sponsor this past year. We not only love having their presence at our conferences but also on our Educational Events Committee where hospice liaison Kristi Mitchell has been a valued member in helping plan our conferences. Thank you Hospice of the West for being on our team and all you do for our association!

Hospice of the West is committed to serving the unique needs of those with life limiting illnesses as well as providing ongoing support to their families and loved ones through our belief in hospice and palliative care with compassion. Hospice care is the collaboration of a dedicated team of members who provide comprehensive end-of-life care to those with life limiting illnesses at their place of residence, whether that may be a private home, a skilled nursing facility, assisted living community or assisted living care home. Hospice of the West offers short-term inpatient care for patients who require around-the-clock nursing care for pain and symptom management. Hospice also provides respite stays for patients who need a place to go to so that their family members may have a short break from caregiving. Hospice care is available 24 hours a day, 7 days a week. The hospice team is available for care and support after hours and on the weekends.

Burns Pest Elimination

Burns Pest Elimination has been a member of Arizona ALFA for over 20 years. From conference sponsorships to being a vendor Burns has been one of Arizona ALFA's longest relationships. We are thankful to have such a loyal member. We look forward to many more years with Burns Pest Elimination on our team! Thank you!

Burns Pest Elimination has been a family-owned business and continues to operate with the Burns family as an important part of the team. We know Arizona and its unique pest pressures, and we use that knowledge to get rid of your pest problems and prevent future ones. Our expert pest control technicians put our community and customers first. We continue to offer the highest quality professional work, backed by satisfaction guarantees. For 35 years, we have been Arizona's pest elimination experts with decades of tried, proven service to our friends and neighbors.
