

All-

We are pleased to announce that beginning May 1, 2016 our company name will officially change from **Senior Care Pharmacy** to **Guardian Pharmacy of South Georgia**. The name change is a result of a rebranding effort designed to mirror the growth and transformation of our business.

What this means for our existing customers and residents is simple - it's business as usual. We will continue to provide friendly, accurate and timely service to meet any medication needs, and our phone numbers, street address, staff members, emails, and service will remain the same. The Guardian Pharmacy of South Georgia mission also remains simple and unchanged, and we will continue to "strive every day to improve the lives of the individuals we serve."

As we further emerge into this exciting phase of growth, we would like to take the opportunity to thank our loyal customers and residents. Without your ongoing support and trust in us to take care of your residents medication needs, this exciting evolution of our company would not be possible.

Sincerely,

Jodi DiNello
President
