

Preparing for Hurricane Irma

In the event your facility is evacuated, please use the following as a checklist to ensure your residents have everything they need:

- Contact Guardian Pharmacy of South GA to give your new address and the best contact number to reach you (pharmacy services will continue at your new location)
- If possible take your entire cart with you, if you don't have room try to take at least one weeks' worth of meds with you (including cycle meds/bulks/prns/insulin)
- Print 2 sets of MARS out of your E-Mar system or make 2 copies of your paper MARS to take with you.

Make sure you pack the following items:

- Cycled/Daily meds (at least one weeks' worth)
- Gloves
- Incontinence Supplies
- Controlled Medications
- PRN Medications
- Creams, Lotions, Topicals
- Eye/Ear drops
- Nasal Medications
- Inhalers/Breathing Medications/Breathing machines
- Insulin/Diabetic Supplies
- Refrigerated Medications
- Liquids
- Patches

Thank you for your co-operation.
