

# Southern Notes

Southern Pharmaceutical Services  
205-451-1822

## Communications from SPS

Soon you will begin seeing an improved system for relaying information to and from the Pharmacy. We are implementing a system using large Yellow and Red Envelopes. They are designed to be easily recognized by needed personnel to receive and transfer correspondence.

### YELLOW Envelopes

We will be sending any communications to you such as announcements to staff, newsletters, copies of electronic prescriptions, other orders, etc. Yellow envelopes will be placed in your daily delivery tote as needed.

### RED Envelopes

These will be utilized for sending Prescriptions or other needed information back to the Pharmacy. We can send a supply of these for you to have on hand or you can make a request from your daily delivery driver as you have items to send to SPS.

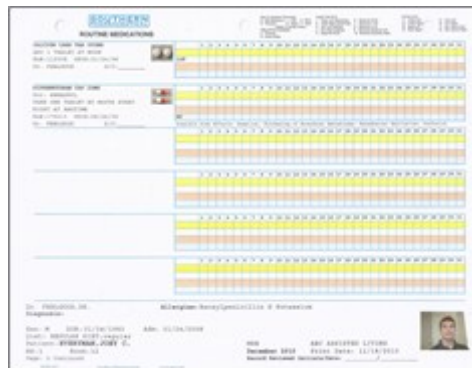

## MARs, MARs, MARs

We are working hard to make sure your MARs are as accurate and clean as possible. If you would like to have an Account Manager visit you to review your MARs and take new resident or client photos, please give Terri a call at 205-218-7279.

We can schedule a time to meet with you to review your MARs and make notes of any items that need to be cleaned up, changed, discontinued, etc.

At that time, we will be happy to make current photographs of your residents or clients for the MARs. We believe that our

clean and concise MAR format and paper help us to stand out in the crowd and we want you receive your MARs each month knowing that they are accurate and as up-to-date as possible.

Volume 1 Issue 3

August 2013

- *Congratulations to the Award Winning team at Capstone Village for their wonderful ideas at the recent "IT WORKS FOR ME" Conference in Birmingham.*
- *SPS will be exhibiting and attending the upcoming ALAA Fall Conference in Mobile, AL. We look forward to seeing everyone there!*

*Please note that SPS will be Closed on Monday, September 2nd in Celebration of Labor Day.*
