DEA Classifies Tramadol a Controlled Substance

Effective August 18, 2014 Tramadol (Trade Names: Ultram®, Ultracet®) will be considered a controlled substance. *All regulatory requirements applicable to schedule IV controlled substances will apply to Tramadol beginning August 18, 2014.*

Beginning immediately, SPS will start dispensing these medications in the appropriate package in use by your facility for controlled drugs.

Join Us on the “Walk to End Alzheimer’s”

Southern Pharmaceutical has registered a team to participate in the upcoming WALK TO END ALZHEIMER’S. The Walk will be held on September 13th at the Hoover Metropolitan Stadium and the route length is two miles. The walk begins at 9:30 AM and WE ARE LOOKING FOR MORE TEAM MEMBERS!!

Please consider joining our team and walking with us to raise money for this cause that is close to everyone’s heart! Anyone can walk and we encourage you to ask your family members and friends to join us in helping our team raise money for this great cause.

To join our team or to make a donation to our team just go the following website and click on TEAMS and then Search for Southern Pharmaceutical.

We hope you will join us! All funds raised further the care, support and research efforts of the Alzheimer’s Association which is a non-profit organization. All donations are also tax-deductible.
