

Dear Valued Customers,

We are pleased to announce that beginning October 1, 2017, our company will officially change its name from **Waltz Long Term Care Pharmacy** to **Guardian Pharmacy of Maine**. We have been a proud member of the national Guardian Pharmacy Services family since 2007 (10 years), and we believe that this rebrand will reflect the growth and transformation our business partnership has experienced since joining Guardian.

What this means for our existing customers and residents is simple – It's business as usual. We will continue to provide friendly, accurate and timely service to meet any medication needs. Our phone numbers, street address, staff and service will all remain the same. Our mission also remains unchanged, as we will continue to strive every day to improve the lives of the individuals we serve, as a locally owned business.

As we take this exciting step forward, we would like to take the opportunity to thank our loyal customers and the residents they serve. Without your dedicated support, our continued growth and success would not be possible.

Thank you for trusting us with your pharmacy needs!

Sincerely,

A handwritten signature in blue ink that reads "Courtney Oland". The signature is written in a cursive style and is set against a light blue background.
